Modernistic Club

The Modernistic Club was very sorry that the meeting was not held Friday, Feb. 18th due, to weather conditions. The club was advised that it was unwise to travel the roads unless it was an emergency. We trust that we will have better luck next time. To our hostess, we hope that you understand our positions, and that you will give the club another chance to meet with you, at your convenience.

"A Baby Shower" was held Sunday, at the home of Miss Georgia Fleshman in honor of Mrs. William B. Turner, who is expecting shortly. We are hoping that the affair was a big success. All who attended the shower enjoyed themselves.

Impressive services were held at Galilee Baptist Sunday. The church S. S. turned out in round numbers, even though the ground was snowy, cold and wet,underfoot.

The Birthday Rally for the month of Feb, was successful. Mrs. Alease Browder, and Miss Helen Stevens sponsored the Feb. Rally. The sponsors thanked members, and friends for helping them turn over to the church $62.00 for the "Building Fund."

Sunday February 27, regular preaching service at 11:00 a.m. and Sunday School at 9:45 will be held at First Baptist Church. The members invite you to come and worship with them.

We are glad to know that the sick are still on the up and up. Will see you next week!

"I'll see to it that your building costs stay within your budget."

Hugh Odom, manager

Yes, it is possible...to build on your property now and keep your costs low. Here's how...

Pictured here is Hugh Odom, manager, Tallahassee, Florida. But Hugh is not unlike any other manager of Jim Walter Homes. Each one was selected because he is friendly...easy to talk to...and he has been trained...trained to work with you, his customer...to work for you, to see to it that your building costs don't run wild, that they can be budgeted. He'll show you how you can help to build your new home...to do some of the inside work yourself, to save money. How much? That depends on you. How much can you do? How much money would you like to cut from the cost of your new home? We'll stop building at almost any stage of inside completion. You tell us when, then you take over. Do the plumbing, the wiring or just the inside painting. Whatever you do, no matter how much or how little, will save you money.

INSTANT MORTGAGE FINANCING to qualified property owners

We'll use exceptionally high quality, low maintenance, building materials. And you can count on your Jim Walter manager to make a series of prescribed inspections to see to it that you do get what you pay for...that you get your money's worth in a quality built home. Complete details will cost you nothing. So let's get together and talk about building your new home on your property now.
